REQUEST OF FBIHQ:

QUESTIONED DOCUMENT UNIT

Questioned Document Unit is requested to compare enclosure with samples in the Anonymous Letter File and conduct examinations for indented writings, watermarks, or any other characteristics deemed appropriate. Upon completion of the examinations, forward the original to the Latent Fingerprint Section.

LATENT FINGERPRINT SECTION

Latent Fingerprint Section is requested to determine if there are latent prints suitable for comparison on submitted items and if latents are found, retain for future references. Also search criminal and civil files for identical persons to those of Unsub and aka's. Return submitted items to OO after completion of examination.

WASHINGTON FIELD OFFICE

AT WASHINGTON, D.C.

Will maintain contact with United States Capitol Police concerning the threat. Will also advise them of any developments in the case so that they can update their threat assessment.

The listed Q specimens are further described in a separate Laboratory report.

Nineteen latent fingerprints, four latent palm prints and two latent impressions, which are either fingerprints or partial palm prints, of value for identification purposes were developed on Q1 and Q2.

Based on the information furnished, no fingerprint record was located in our Identification Division files for CRUM LYNNE or LYNNE CRUM.

Eleven of the latent fingerprints are not fingerprints of [redacted] born [redacted] in Scranton, Pennsylvania, U. S. Naval Reserve # [redacted] or [redacted] born [redacted] in Philadelphia, [redacted] U. S. Army service # [redacted]. The remaining latent
